Fall in Love with Massachusetts Wine at Crush Wine Festival

Wellesley, MA - June 26, 2017 - Crush Wine Festival is the premier Massachusetts wine tasting experience, featuring over 75 local wines, meads, and hard ciders from across the state. Presented by the Massachusetts Farm Wineries and Growers Association and hosted by The Gardens at Elm Bank in Wellesley, Crush Wine Festival will take place on Sunday, July 16, 2017 from 11:00am – 4:30pm.

Meet the winemakers and sample award-winning local wines including full-bodied reds, sweet whites, sparkling wines, fruit wines, honey meads, hard ciders, and everything in between. Twenty-one Massachusetts wineries will be featured, along with local cheeses from the Massachusetts Cheese Guild, local savory and sweet foods, and agricultural vendors. All wines will be available for purchase by the bottle.

“We’re thrilled to return to such a gorgeous venue to showcase Massachusetts wineries. The ‘drink local’ movement is here to stay, and our mission is to share the creativity and spirit of Massachusetts agriculture with the community. We want everyone to fall in love with Massachusetts wine” says event organizer Ann Marie Popko. Ticket price of \$35 includes admission to one session (11am-1:30pm or 2pm-4:30pm) to sample the wines, and all attendees will receive a souvenir wine glass, wine tote, free parking, and access to The Gardens. Located just 30 minutes outside of Boston, The Gardens at Elm Bank provide the festival with a stunning backdrop, with over 30 acres of fields, forests, and formal gardens. Crush Wine Festival will take place inside the Hunnewell Carriage House, which ensures that the event will be held rain or shine. Advance tickets are available online:
